## Orlando Spring 2010 Home & Garden Show

### **“I Was Amazed”**

“Dear Dave,

I wanted to take a moment to tell you the Orlando Home Show held this weekend was one of the best attended Home Shows that I have seen in years. I was amazed! We were part of Monty Anderson’s Show House and we were all very nervous this year. The house is an expensive undertaking for everyone involved and I have to admit I had my doubts if you could get the people to come out. *Well, you got them to come out! Well done,*”

- Tom Atkins, Superior Walls

### **“Dollar for Dollar”**

“My company has exhibited in your show for the past 2 years. The look and the attendance of the show are identical to other shows in the area for a lot less money to exhibit. Good Job! See you in September.”

- Harvey Cradle, Blue Green Vacations

### **“Thank you”**

“I want to thank you guys for another outstanding show. The aisles were jam packed all weekend. We gathered more leads from this show than any other Home Show we have participated in to date. We’ll definitely see you in September!”

- IQ Power

### **“Once Again”**

“Once again your company has proved itself to be able to bring in an extremely qualified audience in great numbers. We will gladly see you in September.”

- Pavers of Florida

### **“Well Advertised”**

“All the vendors at the show were very impressed with the amount of advertising that was done. We tripled the amount of leads normally obtained from shows of this type and wish to congratulate you on a job well done.”

- Cabinets by Graber

### **“We’ll be Back”**

“You guys are great to work with. Everybody was very impressed with how hands on your staff was. Your cost to exhibit is more than reasonable for the tremendous return we received. Thanks again and we’ll be back!”
